5. Declarations of Interest

Members are advised to consider the agenda for the meeting and determine in advance if they may have a Personal, Prejudicial or a Disclosable Pecuniary Interest in any of the agenda items. If a Member decides they do have a declarable interest, they are reminded that the interest and the nature of the interest must be declared at the commencement of the consideration of the agenda item; or when the

interest becomes apparent to them. Details of the interest will be minuted.

Where you have a Prejudicial Interest (which is not a Disclosable Pecuniary Interest), Members are reminded that they must now withdraw from the meeting chamber after making representations or asking questions.

If the interest is a Disclosable Pecuniary Interest, Members are reminded that they must take no part in the discussions of the item at all; or participate in any voting; and must withdraw from the meeting chamber; unless they have received a dispensation.

6. To consider request for a replacement 'No ball games' sign on Greenfields road

A local resident has contacted the Parish Office regarding the large grass verge approximately half way down Greenfields Road, and that a replacement 'No ball games' sign is required after the previous one was damaged and removed. The resident in question has made attempts via both WSCC and HDC to get a replacement but neither is willing, so the request has now been made to the Parish Council.

Tentative enquiries have suggested that it would cost no more than £200 for the purchase and installation of a new sign.

RECOMMENDATION

Members views are sought.

7. To consider Infrastructure Requirements in Horsham District for HDC's Infrastructure Delivery Plan

Horsham District Council, as part of its work in preparing for CIL, is seeking to ensure there is adequate infrastructure and services to support future development, primarily housing. In setting the CIL HDC is required to undertake research on infrastructure needs which will form an Infrastructure Delivery Plan, and this will support the delivery of the Horsham District Planning Framework and Neighbourhood Development Plans.

Therefore, HDC is seeking the Parish Council's views as to whether there will be a need for additional infrastructure or services to cope with additional demand arising from new development within the Parish, including transport; Education; Health; Public services e.g. emergency services; Utilities; Open space; Social and facilities; Flood defence and supported accommodation.

It must be noted, however, that CIL cannot be used to remedy existing deficiencies unless the new development makes the deficiency more severe.

RECOMMENDATION

Members views are sought.

8. To discuss placement of bollards at Lambs Farm Road junction with Greenfields Road

Members are asked to note that County Councillor Jim Rae has helped in beginning to progress this issue again, and that a Third Party Highway Works Request Form has been completed and returned in order for WSCL to be able to carry out the works on the Parish Councils behalf.
