The following Committee Minutes were presented to the Council :-

- (a) Finance and Administration Committee Meeting held on 10<sup>th</sup>

December 2020.

- (b) Planning, Environment and Transport Committee Meetings held on 26<sup>th</sup> November 2020 and 17<sup>th</sup> December 2020.
- (c) Property Committee Meeting held on 3<sup>rd</sup> December 2020.

**It was RESOLVED that the Committee Minutes listed above be received and adopted.**

**FC/540/20 Reports from representatives on outside bodies.**

The minutes from the Horsham Association of Local Councils (HALC) Meeting 15<sup>th</sup> December 2020 have been circulated to all Councillors.

Horsham Town Community Partnership has been working with West Sussex County Council (WSSCC) to install a pedestrian refuge in Warnham Road adjacent to Warnham Nature Reserve. This will benefit those using the Riverside Walk and visitors to the Nature Reserve.

**It was RESOLVED to note information supplied by representatives on outside bodies.**

**FC/541/20 Reports from District or County Councillors.**

West Sussex County Councillor Baldwin informed the Parish Council that work started on 5<sup>th</sup> January 2021 to upgrade utilities on Crawley Road from the roundabout intersection between Crawley Road, Rusper Road, Redkilm Way etc. to Spooners Road. The work will last for a period of 8 weeks and will mainly affect the pavements. Where work needs to be done in the road (towards Spooners Road), traffic management will be installed. Spooners Road will be closed for part of the work. The work is necessary to provide power to the new school on the development north of Horsham by 1<sup>st</sup> April 2021. The work is not considered to impact on the diversion route implemented due to Rusper Road being closed from the A264 to Lemmington Way for a period of 16 weeks.

WSSCC is consulting on Children and Young People Services, which provide an enhanced service to the most vulnerable children and families in West Sussex. Following a successful model being implemented in Oxford, there are proposals to reduce the number of children's centres in West Sussex and to introduce a system whereby there is a combination of fewer centres and county council staff visit children and families in their own homes. Currently there are 43 children and family centres in West Sussex. The proposal is to reduce this to 11 spread across West Sussex with at least one centre in each district. It is likely that the Roffey Children and Family Centre will close with The Needles Children and Family Centre (Horsham) becoming the main centre for Horsham. Cllr Baldwin urged the Parish Council to respond to the consultation.

WSSC Household Waste Recycling Sites have remained open during the latest Coronavirus (Covid 19) lockdown in response to public demand.

Horsham District Council (HDC) Councillor Roy Cornell observed that the land between Jewsons and 78 Crawley Road remains undeveloped and the plastic screening is in need of repair. This will be taken to the next Planning , Environment and Transport Committee meeting. Parish Council Litter Wardens are not able to collect litter or sweep roads as they are not covered by the Parish Council insurance policy.

HDC Councillor John Milne explained that HDC is in the process of preparing the next stage in its Local Plan called a Regulation 19 document. HDC has found that it needs additional time to consider new requirements and therefore the original time table will have to change by a few weeks. It is currently envisaged that the Regulation 19 document, which will include strategic sites, will be published in the spring of 2021 for a formal 'period of representation' where comments can be made on the Council's proposals.

**FC/542/20 Report from the North Horsham Community Land Trust (NHCLT) link councillor.**

The Chairman of the NHCLT, Cllr J Gough, informed the Parish Council that directors had recently met with a housing provider suggested by Action in Rural Sussex (AiRS), but regrettably the housing provider considered them too small to pursue a partnership. A meeting with another housing provider was imminent and there could be a possibility of entering into a partnership with the Sussex Housing Hub who have been involved with the NHCLT from its beginnings. The NHCLT was in the process of identifying properties which could be re-purposed rather than land for new property and wanted to work on a small scale to start with. The organization had conducted a skills and experience audit of its members.

**FC/543/20 Chairman's announcements.**

- The Parish Council had lodged an objection to a Premises Licence Application (LI/20/0207/PREM) for 6 Elgar Way, Horsham West Sussex, RH13 6RH on the basis that there would be increased vehicle movements in a residential area associated with an online business which would cause nuisance (FC/531/20). HDC responded that collections will only be once per calendar month and in small amounts, therefore, it was their view that there would be no significant increase in traffic. Their conclusion was based on other residential premises that offer a similar service on a bigger scale without complaint. The Parish Council is advised that if this does become problematic in the future

there are processes that can be used to address concerns.

- The Chairman expressed appreciation to Cllr Peter Burgess who had stood down as Cabinet Member for Horsham Town and who had helped forge improved relationships with neighbourhood Councils in Horsham Town. Cllr Burgess remained a champion of Armed Forces in the District and explained that the Royal British Legion hoped to take responsibility for the Drill Hall in Horsham with the support of other local Armed Forces organisations.

**FC/544/20 Financial Matters.**

The Finance Report to 31<sup>st</sup> December 2020 and the expenditure lists for October 2020 (final), November 2020 and December 2020 is attached at Appendix 1.

**The Parish Council RESOLVED:-**

1. To note the Financial Report to 31<sup>st</sup> December 2020 with attachments.
2. To agree the final expenditure lists for October 2020 for £28,913.33, November 2020 for £17,621.87 and December 2020 for £50,882.39.

**FC/545/20 Precept**

The Parish Council considered a forecast for 2020/21, a budget for 2021/22 and a precept calculation of £338,600 for 2021/22 recommended by the Finance and Administration Committee. This represented an increase of 1.9% for Band D taxpayers (£39.12 per annum in 2021/22) and an increase of 1.01612% on the 2020/21 precept of £335,194. (Attached at Appendix 2)

**The Parish Council RESOLVED to approve the forecast for 2020/21, budget for 2021/22 and to request a precept of £338,600 from HDC for 2021/22.**

**FC/546/20 External Audit**

The certificate of External Audit had been circulated, presented at the Finance and Administration Committee on 10<sup>th</sup> December 2020 and is available on the Parish Council website. The certificate of External Audit was returned unqualified.

**The Council RESOLVED to note the completed, unqualified External Audit.**

**FC/547/20 Earles Meadow Tree**

The Deputy Clerk informed the Council that bracing work on the veteran oak at Earles Meadow had commenced.

It had been recommended by the HDC Senior Arboricultural Officer that the tree required a permanent safety barrier to extend to a distance of 21m from the trunk of the tree, east and west, and running along the side of the road to the south (which is 18.5m from the tree). The 'desire line' footpath running to the north of the tree should be fenced off as part of this. The Property Committee put forward actions at its meeting on 3<sup>rd</sup> December 2020 for consideration by the Council.

**The Council RESOLVED:-**

- (i) To retain the rope currently in place around the tree.**
- (ii) To fence off the area as recommended by the Senior Arboricultural Officer at HDC using 4 ft high Chestnut split fencing**
- (iii) To attach wire/meshing to the full height of the fence.**
- (iv) To put up warning signs on the fence**
- (v) To retain the area within the fenced off area to grass with 2 or 3 cuts a year with a review in 12 months' time.**

**FC/548/20 Draft calendar of meetings for 2021/22**

The attached draft calendar (Appendix 3) was considered and dates noted, however, the final calendar will be presented at the Annual Parish Council Meeting in May 2021.

**FC/549/20 WSALC AGM**

**This item was deferred as the agenda had not yet been received.**

**FC/550/20 Correspondence.**

The Council received correspondence lists from 6<sup>th</sup> November 2020 to 14<sup>th</sup> January 2021. (Appendix 4).

**FC/551/20 Date of next Council meeting.**

The next Parish Council Meeting will be held on Thursday 4<sup>th</sup> March 2021 (Scheduled).

There being no other business, the Chairman closed the meeting at 8.42 pm.

\*Annual budget divided by 12 multiplied by 9.

\*\* Includes full estimated amount for insurance paid in one lump sum in June 2020.

\*\*\*The salary for December 2020 wasn't included in the FD sheets, but it has been agreed by the Finance and Administration Committee that monthly reports should include all salary payments within the reporting period.

## **Income**

Over the first nine months of the year, income is significantly lower than expected. The situation has been closely monitored.

It has been estimated that self generated income from hall hires etc. for the full 2020/21 financial year will be £39,475 (see budget in Appendix 2). Income from 1<sup>st</sup> April 2020 to 31<sup>st</sup> December 2020 is £37,399. There is expected hall income for the period from 1<sup>st</sup> January 2021 to 31<sup>st</sup> March 2021 for activities allowed under Government legislation. Therefore, income is on track to achieve the £39,475 included in the budget for 2020/21.

## **Expenditure**

Actual expenditure for the first nine months of 2020/21 is £107,493 less than anticipated. A significant amount of this is due to reduced salary costs associated with furloughing staff and reducing staff hours. Only essential health and safety work is being carried out on the buildings and grounds.

It has been estimated that the total expenditure for the full 2020/21 financial period will be £435,485 (See budget in Appendix 2), therefore the actual expenditure figure of £291,913 after 9 months compares favourably to that estimate and it is possible that further savings may be made.

## **Summary**

The net result of the loss of income and lower expenditure is that the Parish Council has spent £14,738 more than had been originally budgeted for at 31<sup>st</sup> December 2020. The budget and precept put forward for 2021/22 takes into account the careful management of funds over this financial year and is a realistic representation the final position that the Parish Council's finances is likely to achieve.

## **Reserves**

After the first nine months of the 2020/21 financial year, there is £240,286 in Ear Marked Reserves and a General Reserve of £329,546.

## **Recommendation:-**

**To note the Financial Report to 31<sup>st</sup> December 2020.**

\*Replacement programmes for equipment at Birches Road Playground and Amberley Road Playground have been identified as 2024 and 2025 respectively. The total replacement cost of equipment at Birches Road Playground has been estimated at £58,078 and Amberley Road Playground at £72,560. £25,000 has been set aside in an Earmarked Reserve for 2020/21, It is recommended that a similar amount is put aside in the 2021/22 and 2022/23 budget. Work to be undertaken in 2022/23 to ascertain more exact costings including what equipment in each playground could be retained so that more exact funding can be allocated in 2023/24 to enable the programme of replacement to proceed.

\*\*Damage to the bridge and boardwalks at Earles Meadow was completed in 2020/21 from the R&R EMR (£7,260).

Note:- An Ear-Marked Reserve has been set up with £25,000 in it.  
Nothing has been allocated in 2021/22. This will be reviewed in 2022/23.
