*Total cost centre budget for 2021/22.

Income

By the end of the year to 31st March 2022, Income was only £6,823 lower than had been anticipated for in the budget. The gap between anticipated and actual income continued to decrease slightly from 7% of expected income at the end of February to 4% at the end of March, and this was because of the increasing usage of the buildings as the country emerged from the pandemic. However, it must be noted that income was substantially boosted by the receipts from the NHS for the vaccination centre, which totalled £36,706 or 24% of the total income for the year but it is not anticipated that there will be further income from this source in 2022/23.

Expenditure

During the 2021/22 year, significant savings were made on staff costs, general maintenance and Open Spaces with only necessary Health & Safety work carried out together with ongoing necessary inspections and servicing. Towards the end of the year, as the buildings opened up more and more, it was necessary to undertake maintenance activities outside of the Health & Safety remit, as restricting works to only those necessary under Health & Safety was unsustainable and could have led to higher costs in the longer term if repairs were put off until they reached the Health & Safety threshold.

By the end of the year, the gap between actual and anticipated expenditure was £66,507 equating to 13% of the Annual Budget. This was a considerable decrease from the 21% at the end of month 11 but this was due to the backdated Non-Domestic Rates that were collected by HDC in respect of both the current and preceding year.

Reserves

Members will recall that when considering the 2022/23 Budget and resulting Precept requirement, it was estimated that General Reserves as at 31st March 2022 would be £230,685. However, despite the unexpected expenditure for the backdated Non-Domestic Rates, General Reserves at the year-end stood at £250,373 - £19,688 higher than expected

As previously agreed, from these General Reserves, £5,000 will be Earmarked for the RMH Boiler, £5,000 for Tree works and £25,000 for the playground refurbishments. In addition, £25,224 of the General Reserve has been budgeted to fund the 2022/23 expenditure. Therefore, after taking these into account, the Council is expecting to see minimum General Reserves at 31^{st} March 2023 of £190,149.

In addition, there were additional Earmarked Reserves of £237,082 as at 31st March 2022.

Summary

As mentioned above, there is \pounds 6,823 less income than budgeted for in the 2021/22 year but this is offset by \pounds 66,507 less expenditure. The overall position is that expenditure after income is about £59,684 less than anticipated at this time of the financial year. There are adequate reserves to cover 6 months running costs.

Supporting documentation for the Financial Report is attached as **Appendix 3**.

Decision: To note the Financial Report including summary of Reserves to 31st March 2022.

2. Expenditure Lists

The expenditure lists (previously published on the website) for February and March 2022 are attached to this report in **Appendix 4**.

Decision: To note the expenditure lists for February and March 2022.

3. Asset Register

The Asset Register updated for the 2021/23 financial year is attached as **Appendix 5** not circulated in hard copy due to the number of pages).

Decision : To note the Asset Register as at 31st March 2022.

16. Internal Audit Report 2021/22 - Final

The Internal Audit Report is attached as **Appendix 6**. As Members can read, whilst the Auditors opinion is that the systems and internal procedures at North Horsham Parish Council are well established and followed, the following comments from the Final Audit should be noted :-

- A recommendation that the Fidelity Insurance be increased to cover the maximum balances held by the Council during the year. *The Council's insurance broker has been asked to quote for the increased amount from the renewal in June (see Agenda item 19).*
- That the General Reserves as at 31st March 2022 of circa £250,000 are appropriate for a council of this size.
- That assertion 4 on the Annual Governance Statement has <u>not</u> been met and must therefore be signed as "no" by the Council. *Members will therefore need to answer* "No" to this assertion under Agenda item 17.

The above are in addition to the comment made at the Interim Audit that .gov.uk email addresses be used by Councillors. *The preparations for this are underway for implementation before the next Audit in the Autumn.*

Decision: To note the final report from the Internal Auditor, the points raised and the actions in response.

Members are required to review the effectiveness of the Internal Audit as per Appendix 7.

Decision : To undertake the review and agree the effectiveness of the Internal Audit.

17. Annual Governance and Accounting Return (AGAR) 2021/22

The Parish Council, as a smaller authority with either gross income or gross expenditure of between £25,000 and £6.5 million, must complete Form 3 of the Annual Governance and Accountability Return (AGAR) at the end of each financial year in accordance with proper practices. The AGAR is made up of three parts, pages 3 to 6, The Parish Council must approve Sections 1 and 2 of the AGAR for the year ended 31st March 2022 (copy attached as **Appendix 8**) no later than 30th June 2022.

The Annual Governance and Accountability Return is made up of four sections as follows: -

AGAR - Annual Internal Audit Report 2021/22 (Page 3)

This has been completed and signed by Mr. A Beams from Mulberry & Co following the completion of his final inspection for 2021/2022, undertaken on 21st April 2022 and noted earlier under Agenda item 16.

Section 1 - Annual Governance Statement 2021/22 (Page 4)

To consider and agree the Council's response to each Statement on the Annual Governance Statement for 2020/2021 (Section 1 of the AGAR)

The Annual Governance Statement is signed on behalf of Council by the Chairman and the Clerk. Members are required to acknowledge their responsibility for ensuring that there is a sound system of internal control, including the preparation of the accounting statements.

The Council has undertaken the following Governance procedures during 2021/22:-

- The review of the scope of the Internal Audit undertaken at the Finance & Administration Committee Meeting held 14th October 2021 (Min. FA/463/21)
- The review of the External Audit, including their comments regarding the announcement for the Period of Public Rights, was undertaken at the Finance & Administration Committee Meeting held 14th October 2021 (Min. FA/464/21)
- Review of the Financial Risk Assessment was undertaken at the Finance & Administration Committee Meeting held 9th December 2021 (Min. FA/481/21 refers)
- Consideration of the Internal Audit (Interim) was undertaken by Council at the Meeting held 13th January 2022 (Min. FC/667/22 refers)
- Review of the system of internal control procedures and practices was undertaken at the Council Meeting held 3rd March 2022 (Min. FC/682/22 refers)
- Review and agreement of the effectiveness of the Internal Audit was undertaken at the previous Agenda item

The Council is to confirm, to the best of their knowledge and belief, with respect to the accounting statements for the year ended 31st March 2021, that:

1. We have put in place arrangements for effective financial management during the year, and for the preparation of the accounting statements.

By answering 'Yes' this means that this authority has prepared its accounting statements in accordance with the Accounts and Audit Regulations.

2. We maintained an adequate system of internal control including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.

By answering 'Yes' this means that this authority has made proper arrangements and accepted responsibility for safeguarding the public money and resources in its charge.

3. We took all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with laws, regulations and Proper Practices that could have a significant financial effect on the ability of this authority to conduct its business or manage its finances.

By answering 'Yes' this means that this authority has only done what it has the legal power to do and has complied with Proper Practices in doing so.

4. We provided proper opportunity during the year for the exercise of electors' rights in accordance with the requirements of the Accounts and Audit Regulations.

As was noted under the Internal Audit Report, and as Members were advised when receiving the External Audit Certificate for the 2020/21 year at the Council Meeting held 4th November 2021 (Min. FC/647/21), an incorrect date was used on the Notice of Electors' Rights for the year ended 31st March 2021 and therefore, the Council is obliged to answer 'No, as this means that this authority during the year did not fully comply with Regulations 12-15 of the Accounts and Audit Regulations 2015 which set out the process to give all persons interested the opportunity to inspect and ask questions about this authority's accounts. This explanation for the response of "no" will be submitted to the External Auditor.

5. We carried out an assessment of the risks facing this authority and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.

By answering 'Yes' this means that this authority has considered and documented the financial and other risks it faces and dealt with them properly.

6. We maintained throughout the year an adequate and effective system of internal audit of the accounting records and control systems.

By answering 'Yes' this means that this authority has arranged for a competent person, independent of the financial controls and procedures, to give an objective view on whether internal controls meet the needs of this smaller authority.

7. We took appropriate action on all matters raised in reports from internal and external audit.

By answering 'Yes' this means that this authority has responded to matters brought to its attention by internal and external audit.

8. We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements.

By answering 'Yes' this means that this authority has disclosed everything it should have about its business activity during the year including events taking place after the year end if relevant.

9. (For local councils only) Trust funds including charitable. In our capacity as the sole managing trustee, we discharged our accountability responsibilities for the fund(s)/assets, including financial reporting and, if required, independent examination or audit - **THIS IS NOT APPLICABLE TO THIS COUNCIL**.

Decision : To consider and agree the Council's responses to the above, decide whether to answer either "yes" or "no" to the eight relevant tests and to agree that Section 1 be signed by the Chairman and the Clerk.

Section 2 - Accounting Statements for 2021/22 (Page 5)

Members are invited to approve Section 2 - Accounting Statements for 2021/22 and agree that these be signed by the Chairman of the Meeting. Members are also asked to note that these were signed by the Responsible Financial Officer (RFO) prior to presentation Council.

Decision : To approve and agree that Section 2 be signed by the Chairman, noting their signature by the RFO prior to presentation.

Section 3 - External Auditor's Report & Certificate 2021/22 (Page 6)

The audit will be undertaken by Moore.

Additional Information

Members are asked to note (and adopt in relation to iv) that the following will be submitted with the AGAR (all attached as **Appendix 9**) :-

- i. Cash and Investment Reconciliation as at 31st March 2022
- ii. Explanation of the differences between Box 7 and 8 on the AGAR
- iii. Summary and detailed explanation of Significant Variances between 2020/21 and 2021/22
- iv. Copy of the Notice of Public Rights to adopt the dates for the period from 6th June to 15th July 2022 (inclusive)

18. Expenditure from Earmarked Reserves

As was reported at the Property Meeting held on 7th April, that Periodical Electrical Testing (PET) was being carried out on the MUGA floodlights (Min. PR/16/22 (e) refers). At that time the engineers had commented that significant remedial work would be required to ensure their safety. The Report identifying the issues identified is attached as **Appendix 10** and the quote for the works has now been received. Members are therefore asked to approve expenditure from the Repairs and Renewals EMR to fund these works.

Decision : To approve expenditure from the Repair and Renewal Earmarked Reserve of £1,860 plus VAT for remedial works to MUGA floodlighting

19. Insurance arrangements for 2022/23

The Renewal Invitation and Policy Summary will be **circulated via email**. As Members will read, there has been an increase in premium to £13,925.08 (inc. IPT). This includes an increase in Fidelity Insurance as recommended by the Internal Audit at the recent inspection.

Gallaghers have advised "The insurance market in general has undergone some big changes over the last 24 months and this has not left the local council sector unaffected. This has resulted in the hardening of rates and terms across the board which mean that this is often reflected in increased premiums. Be reassured that we do and will continue to carry out our role as a broker to make sure we can present you with the best terms that we can in these difficult times."

In order to ensure rate stability, the Council may choose to set up a three-year binding Long Term Agreement (LTA) with Hiscox Insurance Company Limited, at an LTA premium of **£13,925.08**. This means the Council will commit to keep their policy with Hiscox Insurance Company Limited for the period of the LTA, which will expire 3 years from the original inception date.

Decisions : To agree the insurance policy due for renewal on 1st June 2022 and consider the Parish Council entering a three-year long-term agreement with Gallagher terminating on 31st May 2025.

20. Policies

Members are asked to receive the following policies, attached as **Appendix 11**, as recommended by the Property Committee at the meeting held 7th April 2022 (Min. PR/167/22 refers):

- a) Tree Works Policy
- b) Bus Shelters Policy

Decision : To approve the recommended adoption of the Tree Works and Bus Shelters Policies.

21. Correspondence

See **Appendix 12** with the second list emailed separately. **Decision: To receive correspondence lists from 3**rd **March to 4**th **May 2022.**

24. Staff Recruitment

See Confidential report circulated by email. Decision : To ratify the appointment of a Deputy Clerk

Horsham Green Spaces < 15 March 2022 12:27 Parish Clerk Horsham Green Spaces Forum

Dear Sarah

I've been asked by the Horsham Green Spaces group (HGS) to make contact with representatives of North Horsham Parish Council to make you aware of our newly formed group and ask if representatives from North Horsham Parish would be happy to become involved if / when appropriate.

HGS was formed in March 2020 by a small group of "Friends Of" various green spaces in the town, as part of an initiative by the National Federation of Parks and Greenspaces, and to address concerns around the vulnerability of our local green spaces.

I joined the group in May 2021 and have taken on the role of volunteer group co-ordinator.

We are a non-political forum with the aim of enhancing and protecting our green spaces and sharing expertise and resources between like-minded groups across the town.

Members include, but are not limited to: Friends of Horsham Park, Friends of Chesworth Farm, Friends of WLNR, KRGA, Earles Meadow Conservation Group, Muggeridge Field, Chesworth Allotment Society, Hills Farm Conservation Group, Denne Park Avenue Ltd and Boldings Brook Conservation Group. We also have representation at our meetings from Horsham Society, Denne, Trafalgar and Forest Neighbourhood Council and the Wilder Horsham District initiative.

It is not our aim to be viewed as solely a campaigning group against housing development. We want to engage with Horsham District Council and wherever possible work closely alongside them.

Our three main aims:

- Forum for advice, sharing expertise and contacts, sharing communications eg. events
- Campaigning organisation with no political affiliations
- Lead projects eg. tree mapping / Bioblitz / SWOT analysis of local green spaces

A sub-group of us met last October with Roger Noel and Pete Crawford to discuss how we can achieve this. Hopefully we have started to build a working relationship with HDC.

It would be great if there is a representative from the North Horsham Parish area who would be keen to be included in any circulations and maybe come along to one or two of our quarterly meetings - should the agenda require it.

Our next full meeting is Tuesday 7th June at 7pm (venue tbc).

I look forward to hearing from you in due course. If you require any additional information please do not hesitate to contact me.

Kind regards

Volunteer Co-ordinator, Horsham Green Spaces

Dear Sarah

<u>Re: North Horsham Parish Council</u> Internal Audit Year Ended 31 March 2022

Executive summary

Following completion of our interim internal audit on 16 December 2021 and final audit on 21 April 2022 we enclose our report for your kind attention and presentation to the council. The interim audit was conducted remotely, and the final audit onsite, in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date. Testing requirements are shown in red and where appropriate recommendations for future action are shown in bold text and summarised in the tables at the end of the report.

Our report is presented in the same order as the assertions on the internal auditor report within the published AGAR. The start of each section details the nature of the assertion to be verified, followed by recommended minimum testing requirements. Each section is then concluded with an opinion as to whether the assertion has been met or not.

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures very seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at North Horsham Parish Council are well established and followed.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to "undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance."

Internal auditing is an independent, objective assurance activity designed to improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all members to support and inform them when they considering the authority's approval of the annual governance statement.

Independence and competence

Your audit was conducted by Andy Beams of Mulberry & Co. We confirm we are independent from the management of the financial controls and procedures of the council and neither the internal auditor or the firm have any conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Your auditor has over 30 years' experience in the financial sector with the last 12 years specialising in local government.

Engagement Letter

An engagement letter was issued to the council covering the 2021/22 internal audit assignment. Copies of this document are available on request.

Planning and inherent risk assessment

The scope and plan of works including fee structure was issued to the council under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR.

- o There have been no instances of breaches of regulations in the past
- The client uses an industry approved financial reporting package
- o The client regularly carries out reconciliations and documents these
- There is regular reporting to council
- \circ \quad The management team are experienced and informed
- o Records are neatly maintained and referenced
- \circ \quad The client is aware of current regulations and practices
- o There has been no instance of high staff turnover

It is my opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be "walk through testing" on sample data to encompass the period of the council year under review.

A. BOOKS OF ACCOUNT (INTERIM AUDIT)

Internal audit requirement

Appropriate accounting records have been properly kept throughout the financial year.

Recommended minimum testing:

- Ensure the correct roll forward of the prior year cashbook balances to the new financial year
- Check a sample of financial transactions in cashbooks to bank statements, etc.: the sample size dependent on the size of the authority and nature of accounting records maintained

Interim audit

The council continues to use the Rialtas Business Solutions (RBS) software accounting package for recording the day-to-day financial transactions of the council. This is a tried and tested industry specific package and I make no recommendation to change. The system is used regularly to record truncations and produce management information reports for review by council.

The interim audit was conducted remotely. and the Clerk had prepared and forwarded the requested information for review in advance of our telephone conversation. Other information was reviewed on the council website and through discussion with the Clerk.

While new in post, there appears to have been a smooth transition, and the Clerk has quickly adapted to the role, and continues to operate an effective and efficient system for managing the council's finances. Meeting agendas are logically structured and minutes show clear resolutions being made by committee and council. I make no recommendation to change this system.

The council is VAT registered and completes reclaims on a quarterly basis. The last VAT reclaim was for the period 1 July to 30 September 2021 inclusive and showed a refund position of $\pounds 2,295.30$. I confirmed the council is up to date with its postings.

Final Audit

The final audit was conducted on site and the Clerk had prepared all the requested information in advance for review.

Section conclusion

I am of the opinion that the control assertion of "Appropriate accounting records have been properly kept throughout the financial year" has been met.

B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS (INTERIM AND FINAL AUDIT)

Internal audit requirement

This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Recommended minimum testing:

- Review the procedures in place for acquisition of formal tenders and quotes, ensuring they are in line with the Standing Orders and Financial Regulations which should be based on the latest version.
- Ensure that consistent values are in place for the acquisition of formal tenders between Standing Orders and Financial Regulations (frequently different limits are recorded in the two documents)
- Review the procedures for receipt of invoices, agreement of invoice detail and confirmation of goods /services delivery and approval for payment: ideally, a suitably designed certification stamp should be in place providing for evidencing of these checks and payment authorisation
- Check that there is effective segregation between the writing of cheques or the setting up of online payments, and physical release of payments
- Check that VAT reclaims are prepared and submitted in a timely manner in line with the underlying records and in accordance with current HMRC requirements
- Where debit / credit cards are in use, establish the total monthly and individual transaction limits and ensure appropriate controls over physical security and usage of the cards are in place

Interim audit

Check the publication and minuting of the prior year audited AGAR and notice of conclusion of audit.

The external auditor's report recorded the following comment 'It was noted on review that the announcement of the Period for Public Rights was the same date as the approval of the Annual Governance and Accountability Return. Regulation 12-15 of the Accounts and Audit Regulations 2015 set out the order required to be followed when approving, announcing and publishing the Return and related documents in order to satisfy the Public Rights requirements. The Return must be approved prior to the Notice being published. To be able to demonstrate this, proper practice requires that the Notice is published no sooner than the day following the approval meeting and the Public Rights period commences no sooner than the next working day after that'.

Council is reminded of the correct sequence and encouraged to ensure they are correctly followed for the 2021/22 submission.

The External Auditor's certificate and Notice of Conclusion of Audit have been published on the council website and were reported to council at the meeting held on 4 November 2021 (minute ref FC/647/21).

At the May 2021 meeting, the council considered the internal auditors report, and this action is recorded in the minutes (ref FC/587/21).

Confirm by sample testing that councillors sign statutory office forms

I confirmed by sample testing that councillors sign "Acceptance of Office" forms. The council website provides details of the councillors and includes the Register of Members Interests for each one.

Confirm that the council is compliant with the relevant transparency code

The council's income and expenditure are between £25,000 and £200,000 per annum, and it is therefore not required by law to follow the Local Government Transparency Code, although it is recommended to do so. A review of the council website shows that the council is publishing the information contained within the code.

Confirm that the council is compliant with GDPR

The council is fully aware of GDPR and has undergone training. It was noted the council has established common email addresses for all councillors, although not all are using them and the contact details for a number of councillors on the website are personal email addresses.

Establishing common email addresses is recommended because it gives a natural segregation between work and personal lives, making it clear beyond doubt in what capacity a councillor is acting. In addition to this it gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.

The council has a Privacy Notice on the home page of its website.

Confirm that the council meets regularly throughout the year

In addition to full council, the council has a committee structure with historic agendas and minutes available on the council website along with a diary of future meeting dates.

Check that agendas for meetings are published giving 3 clear days' notice.

The Clerk was able to demonstrate that at least 3 clear days' notice is given on agendas. Whilst we have not tested every single committee and council meeting there was no evidence of non-compliance in giving three clear days' notice of the meeting. It was noted that supporting documentation for agendas is also published on the council website.

Check the draft minutes of the last meeting(s) are on the council's website

Draft minutes are uploaded to the council website and clearly marked as draft. These are subsequently replaced with final versions once approved.

Confirm that the Parish Council's Standing Orders have been reviewed within the last 12 months.

The standing orders are based on the current NALC model and were last reviewed and adopted by council at the meeting held on 29 July 2021 (minute ref FC/609/21).

Confirm that the Parish Council has adopted and recently reviewed Financial Regulations.

Financial regulations are based on the current NALC model and were last reviewed and adopted by council at the meeting held on 29 July 2021 (minute ref FC/609/21). The regulations contain provisions for the approval of spending, setting of budgets, reconciliation of the bank and reporting to council.

Check that the council's Financial Regulations are being routinely followed.

The council has thresholds in place at which authorisations to spend must be obtained as below:

FR 4.1. Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. The authority to amend an approved budget is to be determined by

- the council for all items over £5,000; the Finance and Administration Committee for items between £2,000 and £5,000;
- a duly delegated committee of the council for items up to £2,000;
- The Clerk, in conjunction with the Chairman of the Council or Chairman of the appropriate committee for items below £500.

FR 4.5. In cases of extreme risk to the delivery of council services, the RFO may authorise revenue expenditure on behalf of the council which in the RFO's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £10,000. The RFO shall report such action to the chairman as soon as possible and to the council as soon as practicable thereafter.

These thresholds appear appropriate for a council of this size, and during the interim audit review I found no evidence of them not being adhered to.

I reviewed the nominal ledger report for the current financial year. Sufficient narrative is provided for entries to adequately identify their source, and amounts appear to have been allocated to the correct nominal codes. There is no evidence of 'netting-off' of income against expenditure, and the information reviewed points to a well organised and efficient system.

From reviewing agendas, supporting papers and minutes on the council website, it appears clear that councillors are provided with sufficient information to make informed financial decisions.

Confirm all section 137 expenditure meets the guidelines and does not exceed the annual per elector limit of £8.41 per elector. The council has adopted the General Power of Competence (GPC) and the thresholds do not apply.

Confirm that checks of the accounts are made by a councillor.

The system noted above details internal review takes place and I am under no doubt that council properly approves expenditure.

Section conclusion

I am of the opinion that the control assertion "This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for" has been met.

C. RISK MANAGEMENT AND INSURANCE (INTERIM AND FINAL AUDIT)

Internal audit requirement

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Recommended minimum testing:

- Ensure that authorities have prepared, and formally adopted, at least once annually, an appropriate and comprehensive register of assessed risks, both regular and ad hoc
- Ensure that appropriate levels of insurance cover are in place for land, buildings, public, employers' and hirers' (where applicable) liability, fidelity / employees (including councillors) liability, business interruption and cyber security
- Ensure that appropriate arrangements are in place for monitoring play areas, open spaces and sports pitches: such reviews should be undertaken by appropriately qualified external inspectors or, if by officers or members, that they have received the appropriate training and accreditation

Interim audit

The council has a risk assessment process in place. I reviewed the Financial and Management Risk Assessment, which has recently been updated and approved by council. This lists the types of risk identified, the likelihood and impact of the risk, the overall risk level, who would be affected, the mitigation measures in pace and any additional actions needed. This is entirely suitable for a council of this size.

I confirmed that the council has a valid insurance policy in place with AXA which expires on 31 May 2022. The policy includes Public Liability and Employers Liability cover of £10 million each and an Employee Dishonesty (Fidelity Guarantee) level of £500,000.

Final audit

Upon renewal of the insurance in May 2022, I recommend the Fidelity Guarantee limit is increased to cover the maximum balances held by the council during the year.

We discussed assertion 8 on the AGAR and whether or not this had any impact on the council.

"We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements."

The Clerk was able to confirm there were no matters excluded from the accounting statements.

Section conclusion

I am of the opinion that the control objective of "This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these" has been met.

D. BUDGET, PRECEPT AND RESERVES (INTERIM AND FINAL AUDIT)

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Recommended minimum testing:

- Ensure that the full authority, not a committee, has considered, approved and adopted the annual precept in accordance with the required parent authority timetable
- Ensure that budget reports are prepared and submitted to authority / committees periodically during the year with appropriate commentary on any significant variances
- Review the budget performance either during the year or at the financial year-end seeking explanations for any significant or unanticipated variances
- Ensure that the authority has considered the establishment of specific earmarked reserves and, ideally, reviews them annually as part of the budget assessment process
- Ensure that the precept in the accounts matches the submission form to the relevant authority and the public record of precepted amounts

Interim audit

The Clerk confirmed that the budget setting process has commenced, and the council have arrangements in place for the approval of the budget and precept to meet the deadline set by the District Council.

At the end of November, the council's reported income was circa 91% of budget and expenditure was circa 55%. This indicates an accurately set budget and careful monitoring of performance throughout the year. There is evidence within the minutes of regular financial reporting being presented to council.

The council holds circa £249,000 in earmarked reserves (EMR), with amounts split across different future project aspirations of the council. Each EMR is clearly identifiable, and amounts have been appropriately allocated.

Council is reminded that general guidance recommends a level of general reserve be maintained at between three- and twelvemonths net revenue expenditure (or circa six months equivalent of precept) and this will be reviewed at the year-end audit.

Final audit

The council's year-end position reports income at 103.8% of budget and expenditure is reported as 92.1% of budget. This demonstrates that the budget was accurately set and has been carefully monitored throughout the year, and this is supported by reference to the council minutes.

At year-end, the council held circa £237,000 in a number of clearly defined earmarked reserves. I tested the purposes of the earmarked reserves with the Clerk and am content that they are all for legitimate future planned projects for the council.

The council has a general reserve of £250,000 at the year-end. General guidance recommends an appropriate level of general reserve as circa three to twelve months net revenue expenditure, adjusted for local conditions. The current level is therefore appropriate for a council of this size.

Section conclusion

I am of the opinion that the control objective of "The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate" has been met.

E. INCOME (INTERIM AND FINAL AUDIT)

Internal audit requirement

Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.

Recommended minimum testing:

- Review "aged debtor" listings to ensure appropriate follow up action is in place
- Allotments: ensure that appropriate signed tenancy agreements exist, that an appropriate register of tenants is maintained identifying, that debtors are monitored.
- Burials: ensure that a formal burial register is maintained that it is up-to-date and that a sample of interments and memorials are appropriately evidenced, that fees have been charged at the correct approved rate and been recovered within a reasonable time: (Authorities should also acquire and retain copies of Burial / Cremation certificates)
- Hall hire: ensure that an effective diary system for bookings is in place identifying the hirer, hire times and ideally crossreferenced to invoices raised
- Leases: ensure that leases are reviewed in a timely manner in accordance with the terms of the lease and rents similarly reviewed appropriately at the due time
- Other variable income streams: ensure that appropriate control procedures and documentation are in existence to provide a clear audit trail through to invoicing and recovery of all such income
- Where amounts are receivable on set dates during the year, ensure that an appropriate control record is maintained duly identifying the date(s) on which income is due and actually received / banked

Interim audit

I reviewed income amounts received as detailed in the financial reporting and was able to see clear descriptions as to the source of funds, and amounts allocated to the appropriate nominal codes.

The council has reviewed its fees and charges during the year, and this is recorded in the minute so the Finance and Administration committee meeting (minute ref FA/438/21).

Final Audit

From a review of the RBS detailed information, it is clear that sufficient transactional detail continues to be provided for accounting entries and income appears to be assigned to appropriate nominal codes.

Section conclusion

I am of the opinion that the control objective of "Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for" has been met.

F. PETTY CASH (INTERIM AUDIT)

Internal audit requirement

Petty cash payments were properly supported by receipts, all petty cash expenditure was approved and VAT appropriately accounted for.

Recommended minimum testing:

- A number of authorities are now running down and closing their petty cash accounts and using debit / credit cards for ad hoc purchases. Consequently, a "not applicable" response is frequently required in this area.
- Review the systems in place for controlling any petty cash and cash floats (used for bar, catering, etc.)
- Check a sample of transactions during the financial year to ensure appropriate supporting documentation is held
- Review the existence of evidenced periodic independent verification of the petty cash and any other cash floats held
- Ensure that VAT is identified wherever incurred and appropriate
- Physically check the petty cash and other cash floats held
- Where bar or catering facilities are in place, ensure that appropriate cashing-up procedures are in place reconciling the physical cash takings to the till "Z" total readings

Interim audit

The council maintains a petty cash float with a maximum balance of £150. I reviewed the entries for the current year and was able to confirm that they are all for incidental expenses, where the use of petty cash is appropriate.

As the interim audit was carried out remotely, I was unable to physically verify the balance of the petty cash but based on my other findings and previous audit visits, I am satisfied that petty cash is managed appropriately.

Section conclusion

I am of the opinion the control objective of "Petty cash payments were properly supported by receipts, all petty cash expenditure was approved, and VAT appropriately accounted for" has been met.

G. PAYROLL (INTERIM AND FINAL AUDIT)

Internal audit requirement

Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.

Recommended minimum testing:

- Ensure that, for all staff, a formal employment contract is in place together with a confirmatory letter setting out any changes to the contract
- Ensure that appropriate procedures are in place for the payment of members allowances and deduction of any tax liability
- Ensure that, for a sample of staff salaries, gross pay due is calculated in accordance with the approved spinal point on the NJC scale or hourly rate, if off-scale, and with the contracted hours
- Ensure that appropriate tax codes are being applied to each employee
- Where free or paid for software is used, ensure that it is up to date.
- For the test sample of employees, ensure that tax is calculated appropriately
- Check the correct treatment of pension contributions to either the Local Government pension scheme (non taxable, deducted from the gross salary or DC schemes like NEST which already allow for tax deductions)
- For NI, ensure that the correct deduction and employer's contributions are applied: NB. The employers' allowance is not available to councils but may be used by other authorities
- Ensure that the correct employers' pension percentage contribution is being applied

• Ensure that for the test sample, the correct net pay is paid to the employee with tax, NI and pension contributions correctly paid to the respective agencies

Interim audit

The council uses an external company to provide payroll services. The external provider completes all the PAYE and NI calculations and provides the information to the council to make the salary and HMRC payments. A review of the accounting records shows that HMRC payments are up to date.

I reviewed the payslips and summaries provided for interim audit, and was able to confirm that PAYE, NI and pension deduction amounts are correct.

Final Audit

I was able to confirm that the amount entered in box 4 on the AGAR correctly reflects only allowable staff costs. All staff members have received the backdated NJC pay rises in their March salaries.

Section conclusion

I am of the opinion that salaries are correctly stated on the AGAR and that the control object of "Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied" has been met.

H. ASSETS AND INVESTMENTS (INTERIM AND FINAL AUDIT)

Internal audit requirement

Asset and investments registers were complete and accurate and properly maintained.

Recommended minimum testing:

Tangible fixed assets

- Ensure that the authority is maintaining a formal asset register and updating it routinely to record new assets at historic cost price, net of VAT and removing any disposed of / no longer serviceable assets
- Physically verifying the existence and condition of high value, high risk assets may be appropriate
- Ideally, the register should identify for each asset the purchase cost and, if practicable, the replacement / insured cost, the latter being updated annually and used to assist in forward planning for asset replacement
- Additions and disposals records should allow tracking from the prior year to the current
- Ensure that the asset value to be reported in the AGAR at Section 2, Box 9 equates to the prior year reported value, adjusted for the nominal value of any new acquisitions and /or disposals
- Compare the asset register with the insurance schedule to ensure that all assets as recorded are appropriately insured or "self-insured" by the authority

Fixed asset investments

• Ensure that all long-term investments (i.e., those for more than 12-month terms) are covered by the "Investment Strategy" and reported as Assets in the AGAR at Section 2, Box 9.

Borrowing and lending

- Ensure that the authority has sought and obtained appropriate DMO approval for all loans acquired
- Ensured that the authority has accounted for the loan appropriately (i.e., recorded the full value of the loan. Any arrangement fee should be regarded as an admin expense) in the year of receipt
- Ensure that the combined principal loan repayment and interest for the year is correctly recorded in the AGAR at Section 2 Box 5
- Ensure that the outstanding loan liability as of 31st March each year is correctly recorded in the AGAR at Section 2, Box 10 (value should be verified via the DMO website)
- Where the authority has issued loans to local bodies, they should ideally seek signed indemnities from the recipient body, or their members, agreeing to underwrite the loan debt

Interim audit

The council has a fixed asset register which is maintained in an Excel format. The register provides a description of the asset, its date of acquisition, the original purchase or proxy cost, a replacement value, insurance value and other supporting notes. The register is detailed and split into sections with a user-friendly summary at the front. This is entirely suitable for a council of this size.

Final Audit

The asset register total was checked and found to match that entered on the AGAR for 2021-22. Additions and disposals during the year are clearly annotated, and the register is frequently updated during the year providing a comprehensive record of the council's assets.

I confirmed the PWLB year-end balance to the PWLB statement and confirmed it as correct and matching the figure entered into box 10 of the AGAR.

Section conclusion

I am of the opinion that the control objective of "Asset and investments registers were complete and accurate and properly maintained" has been met.

I. BANK AND CASH (INTERIM AND FINAL AUDIT)

Internal audit requirement

Periodic and year-end bank account reconciliations were properly carried out.

Recommended minimum testing:

- Ensure that bank reconciliations are prepared routinely, are subject to independent scrutiny and sign-off by members
- Verify the accuracy of the year-end bank reconciliation detail and ensure accurate disclosure of the combined cash and bank balances in the AGAR, Section 2, Box 8
- Where the authority has bank balances in excess of £100,000 it has an appropriate investment strategy

Interim audit

Bank reconciliations are completed monthly and presented to meetings. In accordance with Financial Regulations, independent check are completed at least quarterly.

I reviewed the bank reconciliation for September, October and November. I found no errors in the reconciliations and was able to confirm the balances to the relevant bank statements for the periods.

Final Audit

At the year-end the council had a reconciled bank position across all its accounts, and I was able to confirm bank balances to the statements for 31 March 2022.

Section conclusion

I am of the opinion that bank and cash balances are properly shown on the AGAR and that the control objective of "Periodic and year-end bank account reconciliations were properly carried out" has been met.

J. YEAR END ACCOUNTS (FINAL AUDIT)

Internal audit requirement

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Recommended minimum testing:

- Ensure that, where annual turnover exceeds £200,000, appropriate records are maintained throughout the year on an Income and Expenditure basis to facilitate budget reporting in that vein
- Ensure that appropriate accounting arrangements are in place to account for debtors and creditors during the year and at the financial year-end

The year-end accounts have been correctly prepared on the receipts and payments basis with the box 7 & 8 reconciliation explained using the RBS reserves reconciliation. This shows total debtors of £18,370.65 and creditors of £41,315.61.

The AGAR correctly casts and cross casts and the comparatives have been correctly copied over from the previous year's AGAR.

The explanation of variances has been completed to explain the variances in boxes 3, 6 and 10. The Clerk has prepared a supporting document to provide more detailed explanations of the differences and in my opinion, this provides enough information for the external auditor.

Section conclusion

I am of the opinion that the control assertion "Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded" has been met.

K. LIMITED ASSURANCE REVIEW (FINAL AUDIT)

Internal audit requirement

IF the authority certified itself as exempt from a limited assurance review in 2019/20, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2019/20 AGAR tick "not covered")

Recommended minimum testing:

- The correct exemption certificate was prepared and minuted in accordance with the statutory submission deadline
- That it has been published, together with all required information on the Authority's website and noticeboard

Section conclusion

I am of the opinion that the control assertion of "If the authority certified itself as exempt from a limited assurance review in 2020/21, it met the exemption criteria and correctly declared itself exempt" is not applicable due to the council not declaring itself exempt from a limited assurance review in 2020/21.

L: TRANSPARENCY (INTERIM AUDIT)

Internal audit requirement

If the authority has an annual turnover not exceeding £25,000, it publishes information on a website / webpage up to date at the time of the internal audit in accordance with the Transparency Code for Smaller Authorities

Recommended minimum testing:

- This test applies only to those councils covered by the £25,000 External Audit exemption
- Internal auditors should review the authority's website ensuring that all required documentation is published in accordance with the Transparency Code for Smaller Authorities

Interim audit

The council has an annual turnover exceeding £25,000, and this test does not apply.

Section conclusion

I am of the opinion that the control assertion of *"If the authority has an annual turnover not exceeding £25,000, it publishes information on a website/ webpage up to date at the time of the internal audit in accordance with the Transparency code for smaller authorities"* is not applicable due to the council turnover exceeding £25,000.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS (FINAL AUDIT)

Internal audit requirement

The authority has demonstrated that during summer 2021 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.

Recommended minimum testing:

- Internal auditors should acquire / examine a copy of the required "Public Notice" ensuring that it clearly identifies the statutory 30 working day period when the authority's records are available for public inspection.
- Internal auditors may also check whether councils have minuted the relevant dates at the same time as approving the AGAR

Final Audit

| Inspection – key dates | 2020/21 Actual | 2021/22 Proposed |
|-------------------------------|----------------|------------------|
| Date inspection notice issued | 6 May 2021 | 1 June 2022 |
| Inspection period begins | 7 June 2021 | 6 June 2022 |
| Inspection period ends | 16 July 2021 | 15 July 2022 |
| Correct length (30 working | Yes | Yes |
| days) | | |
| Common period included (first | Yes | Yes |
| 10 working days of July) | | |

As noted in the external auditor's report, the proper practices were not followed for 2020/21 as the date the inspection notice was issued was the same date as the AGAR was signed by the council.

Therefore, the requirements of this control objective were NOT met for 2020/21, and assertion 4 on the Annual Governance Statement must therefore be signed as 'no' by the council.

I have confirmed that the proposed timescales for 2021/22 are within the requirements of this control objective.

Section conclusion

I am of the opinion that the control assertion "the authority has demonstrated that during summer 2021 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations" has NOT been met.

N: PUBLICATION REQUIREMENTS (INTERIM AUDIT)

Internal audit requirement

The authority has complied with the publication requirements for 2020/21. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage.

Recommended minimum testing:

- Internal auditors should acquire / examine a copy of the required "Public Notice" ensuring that it clearly identifies the statutory 30 working day period when the authority's records are available for public inspection.
- Internal auditors may also check whether councils have minuted the relevant dates at the same time as approving the AGAR

Before 1 July 2021 authorities must publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited
- Section 1 Annual Governance Statement 2020/21, approved and signed, page 4
- Section 2 Accounting Statements 2020/21, approved and signed, page 5

Not later than 30 September 2021 authorities must publish:

•Notice of conclusion of audit

- •Section 3 External Auditor Report and Certificate
- •Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

Interim audit

As detailed earlier in my report, the external auditor highlighted the following for 2020/21 'It was noted on review that the announcement of the Period for Public Rights was the same date as the approval of the Annual Governance and Accountability Return. Regulation 12-15 of the Accounts and Audit Regulations 2015 set out the order required to be followed when approving, announcing and publishing the Return and related documents in order to satisfy the Public Rights requirements. The Return must be approved prior to the Notice being published. To be able to demonstrate this, proper practice requires that the Notice is published no sooner than the day following the approval meeting and the Public Rights period commences no sooner than the next working day after that'.

Council must ensure that the correct sequence is followed for the 2021/22 submission.

As a consequence of the external auditor's findings, the council must select no to the control assertion for this item for the previous year.

Section conclusion

I am of the opinion that the control assertion of "the authority has complied with the publication requirements for 2020/21 AGAR. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage" has **not** been met.

O. TRUSTEESHIP (INTERIM AUDIT)

Internal audit requirement

Trust funds (including charitable) – The council met its responsibilities as a trustee.

Recommended minimum testing:

- Confirm that all charities of which the council is a Trustee are up to date with Charity Commission filing requirements
- that the council is the sole trustee on the Charity Commission register
- that the council is acting in accordance with the Trust deed
- that the charity meetings and accounts are recorded separately from those of the council
- review the level and activity of the charity and where a risk-based approach suggests such, review the Independent Examiner's report

Interim audit

The council has no trusts.

Section conclusion

I am of the opinion that the control assertion of "Trust funds (including charitable) – The council met its responsibilities as a trustee" is not applicable as the council has no trusts.

Yours sincerely

Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website/webpage:

Before 1 July 2022 authorities must publish:

Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015. *for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

Annual Governance and Accountability Return 2021/22 Form 3 Local Councils, Internal Drainage Boards and other Smaller Authorities* Page 1 of 6

Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2021/22

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty), and is properly signed and dated. If the AGAR contains unapproved or unexplained amendments, it may be returned and additional costs will be incurred.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2022.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- Do not send the external auditor any information not specifically requested. However, you must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant authority owned generic email addresses and telephone numbers.
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (Section 2, page 5). An explanation must be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or variances are not fully explained, additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2021) equals the balance brought forward in the current year (Box 1 of 2022).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights of 30 consecutive working days which **must** include the first ten working days of July.
- The authority **must** publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2022**.

Annual Governance and Accountability Return 2021/22 Form 3 Local Councils, Internal Drainage Boards and other Smaller Authorities*

Section 3 – External Auditor's Report and Certificate 2021/22

In respect of

NORTH HORSHAM PARISH COUNCIL

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- · summarises the accounting records for the year ended 31 March 2022; and
- · confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2021/22

(Except for the matters reported below)* on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met. (*delete as appropriate).

(continue on a separate sheet if required)

Other matters not affecting our opinion which we draw to the attention of the authority:

Additional information for External Auditor on significant variances (Year end 31.3.2022)

From the analysis of the significant variances between 2020/21 and 2021/22 it can be seen that 3 boxes fall into the criteria of having variances of more than 15% between totals for individual boxes (except variances of less than £500). These are Box 3 - total other receipts; Box 6 - total other payments and Box 10 - Total borrowings.

Box 3 - Total Other Receipts

In 2020/21 Income from North Heath Hall, Holbrook Tythe Barn, Roffey Millennium Hall and the Multi Courts realised a total of £44,880 (see below) which was dramatically reduced from the previous year due to Government restrictions to reduce the spread of the Coronavirus resulting in all Parish Council facilities which attracted charges being closed from 23rd March 2020 to 31st May 2020.

As restrictions have begun to be lifted during the 2021/22 year, hirers of the Council's facilities have returned but the buildings do not return to pre pandemic access until 1st April 2022. Therefore, whilst there has been a substantial increase in lettings income between 2020/21 and 2021/22, this is still not back to the pre pandemic levels of 2019/20 as shown below. The total increase in income from the facilities from 2020/21 to 2021/22 is **£108,137**.

| | 203,351 | 44,880 | 153,017 |
|------------------------|---------|---------|---------|
| Multi courts | 22,571 | 7,378 | 19,883 |
| Roffey Millennium Hall | 77,608 | 3,613 | 54,867 |
| Holbrook Tythe Barn | 39,229 | 6,140 | 24,181 |
| North Heath Hall | 63,943 | 27,749 | 54,086 |
| Income | 2019/20 | 2020/21 | 2021/22 |

It should be noted that whilst there has been an increase of £108,137 in hall hire income, the Total Other Receipts figure of £101,188 in 2020/21 included grant support from Horsham District Council totalling **£41,466** and no such grants were received in the 2021/22 year.

Finally, an additional contributor to the significant difference is the receipt of CIL money which in 2020/21 was $\pm 2,395$ increasing to $\pm 26,163$ in 2021/22 - a difference of $\pm 23,768$.

In summary

The significant difference in total receipts of **£89,484** is made up of an increase of £108,137 in hall hire income combined with an increase in CIL funding of £23,768, all offset against a reduction in grant funding of £41,466. The small difference of **£955** is made up of small differences in miscellaneous income, allotment rents and interest received.

| 2021/22 | Reductions | Additional income | |
|-------------------------------|------------|-------------------|---------|
| Grants | £41,466 | | |
| CIL Funding | | £23,768 | |
| Hall Hires | | £108,137 | |
| Totals | £41,466 | £131,905 | £90,439 |
| Variance | | | £89,484 |
| Sundry insignificant increase | | | £955 |

Box 6 - Total Other Payments

Total other payments in 2020/21 were £147,101. In 2021/22 they were £197,182.

The most significant contributors to the increase of £50,081 in expenditure in 2021/22 are:-

- 1. Backdated Non-Domestic Rates being charged and backdated to 1st April 2020 totally £26,447
- 2. Staff expenses increase as the halls use reopened £1,881
- 3. Window cleaning was increased as it had not been necessary so frequently in 2020/21 £505
- 4. Postage, stationery and printing as more hall bookings and general administration increases £584
- 5. During 2019/20 the council was invoiced for work on the lift at Roffey Millennium Hall that wasn't completed or necessary, so the invoice was disputed. The credit was received in 2020/21 which means that even with the usual servicing work there was still a credit at the end of 2020/21. Therefore, just the usual servicing has resulted in a year on year increase of £982.
- 6. Plumbing costs increase this year by £701 as the halls began to be used by a larger number of people.
- 7. Expenditure on open spaces, play areas and the multi courts increase as routine maintenance began to be carried out again £2,031.
- 8. The electricity supplier was late in sending invoices for street lighting in 2020/21 and therefore the costs appear in this year's figures £1,567.
- 9. Internal decoration work was undertaken in current year when none had taken place during 2020/21 as it wasn't considered essential £1,453.
- 10. Maintenance of gas boiler costs increased as buildings used more £1,446
- 11. Additional CIL expenditure during the 2021/22 year when compared to 2020/21 £14,665

Total identified increases in expenditure - £52,262

This increase was offset by small reductions across including :-

- i. Cost savings on intruder alarms servicing £931
- ii. Reduced fire prevention sundries £472

In summary

The significant increase in expenditure was primarily due to the relaxing/removal of restrictions imposed in relation to the Coronavirus pandemic which for 2020/21 had delayed some maintenance being done in its usual cycle, meant that some work wasn't undertaken as it was not essential, and some remedial work wasn't necessary as the buildings weren't open.

The increase in costs as identified of **£52,262** is offset slightly by more significant (when comparing to last year's expenditure) reductions totalling **£1,403** with the remaining £778 spread general across the budget centres.

Box 10 - Total Borrowings

As the PWLB nears its end in 2025, the annual repayments are increasing in proportion to the loan outstanding amount until in the final year there will be a 100% reduction as the loan is repaid.
