Our Ref: MARK/NOR002

Mrs S Norman
North Horsham Parish Council
Roffey Millennium Hall
Crawley Road
Horsham
West Sussex
RH12 4DT

21 April 2022

Dear Sarah

Re: North Horsham Parish Council
Internal Audit Year Ended 31 March 2022

Executive summary

Following completion of our interim internal audit on 16 December 2021 and final audit on 21 April 2022 we enclose our report for your kind attention and presentation to the council. The interim audit was conducted remotely, and the final audit onsite, in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date. **Testing requirements are shown in red** and where appropriate **recommendations for future action are shown in bold text and summarised in the tables at the end of the report.**

Our report is presented in the same order as the assertions on the internal auditor report within the published AGAR. The start of each section details the nature of the assertion to be verified, followed by recommended minimum testing requirements. Each section is then concluded with an opinion as to whether the assertion has been met or not.

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures very seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at North Horsham Parish Council are well established and followed.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to "undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance."

Internal auditing is an independent, objective assurance activity designed to improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all members to support and inform them when they considering the authority's approval of the annual governance statement.

Independence and competence

Your audit was conducted by Andy Beams of Mulberry & Co. We confirm we are independent from the management of the financial controls and procedures of the council and neither the internal auditor or the firm have any conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Your auditor has over 30 years' experience in the financial sector with the last 12 years specialising in local government.

Engagement Letter

An engagement letter was issued to the council covering the 2021/22 internal audit assignment. Copies of this document are available on request.

Planning and inherent risk assessment

The scope and plan of works including fee structure was issued to the council under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR.

- There have been no instances of breaches of regulations in the past
- The client uses an industry approved financial reporting package
- The client regularly carries out reconciliations and documents these
- There is regular reporting to council
- The management team are experienced and informed
- Records are neatly maintained and referenced
- The client is aware of current regulations and practices
- There has been no instance of high staff turnover

It is my opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be "walk through testing" on sample data to encompass the period of the council year under review.

A. BOOKS OF ACCOUNT (INTERIM AUDIT)**Internal audit requirement**

Appropriate accounting records have been properly kept throughout the financial year.

Recommended minimum testing:

- Ensure the correct roll forward of the prior year cashbook balances to the new financial year
- Check a sample of financial transactions in cashbooks to bank statements, etc.: the sample size dependent on the size of the authority and nature of accounting records maintained

Interim audit

The council continues to use the Rialtas Business Solutions (RBS) software accounting package for recording the day-to-day financial transactions of the council. This is a tried and tested industry specific package and I make no recommendation to change. The system is used regularly to record truncations and produce management information reports for review by council.

The interim audit was conducted remotely, and the Clerk had prepared and forwarded the requested information for review in advance of our telephone conversation. Other information was reviewed on the council website and through discussion with the Clerk.

While new in post, there appears to have been a smooth transition, and the Clerk has quickly adapted to the role, and continues to operate an effective and efficient system for managing the council's finances. Meeting agendas are logically structured and minutes show clear resolutions being made by committee and council. I make no recommendation to change this system.

The council is VAT registered and completes reclaims on a quarterly basis. The last VAT reclaim was for the period 1 July to 30 September 2021 inclusive and showed a refund position of £2,295.30. I confirmed the council is up to date with its postings.

Final Audit

The final audit was conducted on site and the Clerk had prepared all the requested information in advance for review.

Section conclusion

I am of the opinion that the control assertion of "Appropriate accounting records have been properly kept throughout the financial year" has been met.

B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS (INTERIM AND FINAL AUDIT)**Internal audit requirement**

This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Recommended minimum testing:

- Review the procedures in place for acquisition of formal tenders and quotes, ensuring they are in line with the Standing Orders and Financial Regulations which should be based on the latest version.
- Ensure that consistent values are in place for the acquisition of formal tenders between Standing Orders and Financial Regulations (frequently different limits are recorded in the two documents)
- Review the procedures for receipt of invoices, agreement of invoice detail and confirmation of goods /services delivery and approval for payment: ideally, a suitably designed certification stamp should be in place providing for evidencing of these checks and payment authorisation
- Check that there is effective segregation between the writing of cheques or the setting up of online payments, and physical release of payments
- Check that VAT reclaims are prepared and submitted in a timely manner in line with the underlying records and in accordance with current HMRC requirements
- Where debit / credit cards are in use, establish the total monthly and individual transaction limits and ensure appropriate controls over physical security and usage of the cards are in place

Interim audit*Check the publication and minuting of the prior year audited AGAR and notice of conclusion of audit.*

The external auditor's report recorded the following comment 'It was noted on review that the announcement of the Period for Public Rights was the same date as the approval of the Annual Governance and Accountability Return. Regulation 12-15 of the Accounts and Audit Regulations 2015 set out the order required to be followed when approving, announcing and publishing the Return and related documents in order to satisfy the Public Rights requirements. The Return must be approved prior to the Notice being published. To be able to demonstrate this, proper practice requires that the Notice is published no sooner than the day following the approval meeting and the Public Rights period commences no sooner than the next working day after that'.

Council is reminded of the correct sequence and encouraged to ensure they are correctly followed for the 2021/22 submission.

The External Auditor's certificate and Notice of Conclusion of Audit have been published on the council website and were reported to council at the meeting held on 4 November 2021 (minute ref FC/647/21).

At the May 2021 meeting, the council considered the internal auditors report, and this action is recorded in the minutes (ref FC/587/21).

Confirm by sample testing that councillors sign statutory office forms

I confirmed by sample testing that councillors sign "Acceptance of Office" forms. The council website provides details of the councillors and includes the Register of Members Interests for each one.

Confirm that the council is compliant with the relevant transparency code

The council's income and expenditure are between £25,000 and £200,000 per annum, and it is therefore not required by law to follow the Local Government Transparency Code, although it is recommended to do so. A review of the council website shows that the council is publishing the information contained within the code.

Confirm that the council is compliant with GDPR

The council is fully aware of GDPR and has undergone training. It was noted the council has established common email addresses for all councillors, although not all are using them and the contact details for a number of councillors on the website are personal email addresses.

Establishing common email addresses is recommended because it gives a natural segregation between work and personal lives, making it clear beyond doubt in what capacity a councillor is acting. In addition to this it gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.

The council has a Privacy Notice on the home page of its website.

Confirm that the council meets regularly throughout the year

In addition to full council, the council has a committee structure with historic agendas and minutes available on the council website along with a diary of future meeting dates.

Check that agendas for meetings are published giving 3 clear days' notice.

The Clerk was able to demonstrate that at least 3 clear days' notice is given on agendas. Whilst we have not tested every single committee and council meeting there was no evidence of non-compliance in giving three clear days' notice of the meeting. It was noted that supporting documentation for agendas is also published on the council website.

Check the draft minutes of the last meeting(s) are on the council's website

Draft minutes are uploaded to the council website and clearly marked as draft. These are subsequently replaced with final versions once approved.

Confirm that the Parish Council's Standing Orders have been reviewed within the last 12 months.

The standing orders are based on the current NALC model and were last reviewed and adopted by council at the meeting held on 29 July 2021 (minute ref FC/609/21).

Confirm that the Parish Council has adopted and recently reviewed Financial Regulations.

Financial regulations are based on the current NALC model and were last reviewed and adopted by council at the meeting held on 29 July 2021 (minute ref FC/609/21). The regulations contain provisions for the approval of spending, setting of budgets, reconciliation of the bank and reporting to council.

Check that the council's Financial Regulations are being routinely followed.

The council has thresholds in place at which authorisations to spend must be obtained as below:

FR 4.1. *Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. The authority to amend an approved budget is to be determined by*

- *the council for all items over £5,000; • the Finance and Administration Committee for items between £2,000 and £5,000;*
- *a duly delegated committee of the council for items up to £2,000;*
- *The Clerk, in conjunction with the Chairman of the Council or Chairman of the appropriate committee for items below £500.*

FR 4.5. *In cases of extreme risk to the delivery of council services, the RFO may authorise revenue expenditure on behalf of the council which in the RFO's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £10,000. The RFO shall report such action to the chairman as soon as possible and to the council as soon as practicable thereafter.*

These thresholds appear appropriate for a council of this size, and during the interim audit review I found no evidence of them not being adhered to.

I reviewed the nominal ledger report for the current financial year. Sufficient narrative is provided for entries to adequately identify their source, and amounts appear to have been allocated to the correct nominal codes. There is no evidence of 'netting-off' of income against expenditure, and the information reviewed points to a well organised and efficient system.

From reviewing agendas, supporting papers and minutes on the council website, it appears clear that councillors are provided with sufficient information to make informed financial decisions.

Confirm all section 137 expenditure meets the guidelines and does not exceed the annual per elector limit of £8.41 per elector.

The council has adopted the General Power of Competence (GPC) and the thresholds do not apply.

Confirm that checks of the accounts are made by a councillor.

The system noted above details internal review takes place and I am under no doubt that council properly approves expenditure.

Section conclusion

I am of the opinion that the control assertion "This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for" has been met.

C. RISK MANAGEMENT AND INSURANCE (INTERIM AND FINAL AUDIT)**Internal audit requirement**

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Recommended minimum testing:

- Ensure that authorities have prepared, and formally adopted, at least once annually, an appropriate and comprehensive register of assessed risks, both regular and ad hoc
- Ensure that appropriate levels of insurance cover are in place for land, buildings, public, employers' and hirers' (where applicable) liability, fidelity / employees (including councillors) liability, business interruption and cyber security
- Ensure that appropriate arrangements are in place for monitoring play areas, open spaces and sports pitches: such reviews should be undertaken by appropriately qualified external inspectors or, if by officers or members, that they have received the appropriate training and accreditation

Interim audit

The council has a risk assessment process in place. I reviewed the Financial and Management Risk Assessment, which has recently been updated and approved by council. This lists the types of risk identified, the likelihood and impact of the risk, the overall risk level, who would be affected, the mitigation measures in place and any additional actions needed. This is entirely suitable for a council of this size.

I confirmed that the council has a valid insurance policy in place with AXA which expires on 31 May 2022. The policy includes Public Liability and Employers Liability cover of £10 million each and an Employee Dishonesty (Fidelity Guarantee) level of £500,000.

Final audit

Upon renewal of the insurance in May 2022, **I recommend the Fidelity Guarantee limit is increased to cover the maximum balances held by the council during the year.**

We discussed assertion 8 on the AGAR and whether or not this had any impact on the council.

"We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements."

The Clerk was able to confirm there were no matters excluded from the accounting statements.

Section conclusion

I am of the opinion that the control objective of "This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these" has been met.

D. BUDGET, PRECEPT AND RESERVES (INTERIM AND FINAL AUDIT)**Internal audit requirement**

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Recommended minimum testing:

- Ensure that the full authority, not a committee, has considered, approved and adopted the annual precept in accordance with the required parent authority timetable
- Ensure that budget reports are prepared and submitted to authority / committees periodically during the year with appropriate commentary on any significant variances
- Review the budget performance either during the year or at the financial year-end seeking explanations for any significant or unanticipated variances
- Ensure that the authority has considered the establishment of specific earmarked reserves and, ideally, reviews them annually as part of the budget assessment process
- Ensure that the precept in the accounts matches the submission form to the relevant authority and the public record of precepted amounts

Interim audit

The Clerk confirmed that the budget setting process has commenced, and the council have arrangements in place for the approval of the budget and precept to meet the deadline set by the District Council.

At the end of November, the council's reported income was circa 91% of budget and expenditure was circa 55%. This indicates an accurately set budget and careful monitoring of performance throughout the year. There is evidence within the minutes of regular financial reporting being presented to council.

The council holds circa £249,000 in earmarked reserves (EMR), with amounts split across different future project aspirations of the council. Each EMR is clearly identifiable, and amounts have been appropriately allocated.

Council is reminded that general guidance recommends a level of general reserve be maintained at between three- and twelve-months net revenue expenditure (or circa six months equivalent of precept) and this will be reviewed at the year-end audit.

Final audit

The council's year-end position reports income at 103.8% of budget and expenditure is reported as 92.1% of budget. This demonstrates that the budget was accurately set and has been carefully monitored throughout the year, and this is supported by reference to the council minutes.

At year-end, the council held circa £237,000 in a number of clearly defined earmarked reserves. I tested the purposes of the earmarked reserves with the Clerk and am content that they are all for legitimate future planned projects for the council.

The council has a general reserve of £250,000 at the year-end. General guidance recommends an appropriate level of general reserve as circa three to twelve months net revenue expenditure, adjusted for local conditions. The current level is therefore appropriate for a council of this size.

Section conclusion

I am of the opinion that the control objective of "The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate" has been met.

E. INCOME (INTERIM AND FINAL AUDIT)

Internal audit requirement

Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.

Recommended minimum testing:

- Review "aged debtor" listings to ensure appropriate follow up action is in place
- Allotments: ensure that appropriate signed tenancy agreements exist, that an appropriate register of tenants is maintained identifying, that debtors are monitored.
- Burials: ensure that a formal burial register is maintained that it is up-to-date and that a sample of interments and memorials are appropriately evidenced, that fees have been charged at the correct approved rate and been recovered within a reasonable time: (Authorities should also acquire and retain copies of Burial / Cremation certificates)
- Hall hire: ensure that an effective diary system for bookings is in place identifying the hirer, hire times and ideally cross-referenced to invoices raised
- Leases: ensure that leases are reviewed in a timely manner in accordance with the terms of the lease and rents similarly reviewed appropriately at the due time
- Other variable income streams: ensure that appropriate control procedures and documentation are in existence to provide a clear audit trail through to invoicing and recovery of all such income
- Where amounts are receivable on set dates during the year, ensure that an appropriate control record is maintained duly identifying the date(s) on which income is due and actually received / banked

Interim audit

I reviewed income amounts received as detailed in the financial reporting and was able to see clear descriptions as to the source of funds, and amounts allocated to the appropriate nominal codes.

The council has reviewed its fees and charges during the year, and this is recorded in the minute so the Finance and Administration committee meeting (minute ref FA/438/21).

Final Audit

From a review of the RBS detailed information, it is clear that sufficient transactional detail continues to be provided for accounting entries and income appears to be assigned to appropriate nominal codes.

Section conclusion

I am of the opinion that the control objective of “Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for” has been met.

F. PETTY CASH (INTERIM AUDIT)**Internal audit requirement**

Petty cash payments were properly supported by receipts, all petty cash expenditure was approved and VAT appropriately accounted for.

Recommended minimum testing:

- A number of authorities are now running down and closing their petty cash accounts and using debit / credit cards for ad hoc purchases. Consequently, a “not applicable” response is frequently required in this area.
- Review the systems in place for controlling any petty cash and cash floats (used for bar, catering, etc.)
- Check a sample of transactions during the financial year to ensure appropriate supporting documentation is held
- Review the existence of evidenced periodic independent verification of the petty cash and any other cash floats held
- Ensure that VAT is identified wherever incurred and appropriate
- Physically check the petty cash and other cash floats held
- Where bar or catering facilities are in place, ensure that appropriate cashing-up procedures are in place reconciling the physical cash takings to the till “Z” total readings

Interim audit

The council maintains a petty cash float with a maximum balance of £150. I reviewed the entries for the current year and was able to confirm that they are all for incidental expenses, where the use of petty cash is appropriate.

As the interim audit was carried out remotely, I was unable to physically verify the balance of the petty cash but based on my other findings and previous audit visits, I am satisfied that petty cash is managed appropriately.

Section conclusion

I am of the opinion the control objective of “Petty cash payments were properly supported by receipts, all petty cash expenditure was approved, and VAT appropriately accounted for” has been met.

G. PAYROLL (INTERIM AND FINAL AUDIT)**Internal audit requirement**

Salaries to employees and allowances to members were paid in accordance with this authority’s approvals, and PAYE and NI requirements were properly applied.

Recommended minimum testing:

- Ensure that, for all staff, a formal employment contract is in place together with a confirmatory letter setting out any changes to the contract
- Ensure that appropriate procedures are in place for the payment of members allowances and deduction of any tax liability
- Ensure that, for a sample of staff salaries, gross pay due is calculated in accordance with the approved spinal point on the NJC scale or hourly rate, if off-scale, and with the contracted hours
- Ensure that appropriate tax codes are being applied to each employee
- Where free or paid for software is used, ensure that it is up to date.
- For the test sample of employees, ensure that tax is calculated appropriately
- Check the correct treatment of pension contributions to either the Local Government pension scheme (non - taxable, deducted from the gross salary or DC schemes like NEST which already allow for tax deductions)
- For NI, ensure that the correct deduction and employer’s contributions are applied: NB. The employers’ allowance is not available to councils but may be used by other authorities
- Ensure that the correct employers’ pension percentage contribution is being applied

- Ensure that for the test sample, the correct net pay is paid to the employee with tax, NI and pension contributions correctly paid to the respective agencies

Interim audit

The council uses an external company to provide payroll services. The external provider completes all the PAYE and NI calculations and provides the information to the council to make the salary and HMRC payments. A review of the accounting records shows that HMRC payments are up to date.

I reviewed the payslips and summaries provided for interim audit, and was able to confirm that PAYE, NI and pension deduction amounts are correct.

Final Audit

I was able to confirm that the amount entered in box 4 on the AGAR correctly reflects only allowable staff costs. All staff members have received the backdated NJC pay rises in their March salaries.

Section conclusion

I am of the opinion that salaries are correctly stated on the AGAR and that the control object of “Salaries to employees and allowances to members were paid in accordance with this authority’s approvals, and PAYE and NI requirements were properly applied” has been met.

H. ASSETS AND INVESTMENTS (INTERIM AND FINAL AUDIT)

Internal audit requirement

Asset and investments registers were complete and accurate and properly maintained.

Recommended minimum testing:

Tangible fixed assets

- Ensure that the authority is maintaining a formal asset register and updating it routinely to record new assets at historic cost price, net of VAT and removing any disposed of / no longer serviceable assets
- Physically verifying the existence and condition of high value, high risk assets may be appropriate
- Ideally, the register should identify for each asset the purchase cost and, if practicable, the replacement / insured cost, the latter being updated annually and used to assist in forward planning for asset replacement
- Additions and disposals records should allow tracking from the prior year to the current
- Ensure that the asset value to be reported in the AGAR at Section 2, Box 9 equates to the prior year reported value, adjusted for the nominal value of any new acquisitions and /or disposals
- Compare the asset register with the insurance schedule to ensure that all assets as recorded are appropriately insured or “self-insured” by the authority

Fixed asset investments

- Ensure that all long-term investments (i.e., those for more than 12-month terms) are covered by the “Investment Strategy” and reported as Assets in the AGAR at Section 2, Box 9.

Borrowing and lending

- Ensure that the authority has sought and obtained appropriate DMO approval for all loans acquired
- Ensured that the authority has accounted for the loan appropriately (i.e., recorded the full value of the loan. Any arrangement fee should be regarded as an admin expense) in the year of receipt
- Ensure that the combined principal loan repayment and interest for the year is correctly recorded in the AGAR at Section 2 Box 5
- Ensure that the outstanding loan liability as of 31st March each year is correctly recorded in the AGAR at Section 2, Box 10 (value should be verified via the DMO website)
- Where the authority has issued loans to local bodies, they should ideally seek signed indemnities from the recipient body, or their members, agreeing to underwrite the loan debt

Interim audit

The council has a fixed asset register which is maintained in an Excel format. The register provides a description of the asset, its date of acquisition, the original purchase or proxy cost, a replacement value, insurance value and other supporting notes. The register is detailed and split into sections with a user-friendly summary at the front. This is entirely suitable for a council of this size.

Final Audit

The asset register total was checked and found to match that entered on the AGAR for 2021-22. Additions and disposals during the year are clearly annotated, and the register is frequently updated during the year providing a comprehensive record of the council's assets.

I confirmed the PWLB year-end balance to the PWLB statement and confirmed it as correct and matching the figure entered into box 10 of the AGAR.

Section conclusion

I am of the opinion that the control objective of "Asset and investments registers were complete and accurate and properly maintained" has been met.

I. BANK AND CASH (INTERIM AND FINAL AUDIT)**Internal audit requirement**

Periodic and year-end bank account reconciliations were properly carried out.

Recommended minimum testing:

- Ensure that bank reconciliations are prepared routinely, are subject to independent scrutiny and sign-off by members
- Verify the accuracy of the year-end bank reconciliation detail and ensure accurate disclosure of the combined cash and bank balances in the AGAR, Section 2, Box 8
- Where the authority has bank balances in excess of £100,000 it has an appropriate investment strategy

Interim audit

Bank reconciliations are completed monthly and presented to meetings. In accordance with Financial Regulations, independent checks are completed at least quarterly.

I reviewed the bank reconciliation for September, October and November. I found no errors in the reconciliations and was able to confirm the balances to the relevant bank statements for the periods.

Final Audit

At the year-end the council had a reconciled bank position across all its accounts, and I was able to confirm bank balances to the statements for 31 March 2022.

Section conclusion

I am of the opinion that bank and cash balances are properly shown on the AGAR and that the control objective of "Periodic and year-end bank account reconciliations were properly carried out" has been met.

J. YEAR END ACCOUNTS (FINAL AUDIT)**Internal audit requirement**

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Recommended minimum testing:

- Ensure that, where annual turnover exceeds £200,000, appropriate records are maintained throughout the year on an Income and Expenditure basis to facilitate budget reporting in that vein
- Ensure that appropriate accounting arrangements are in place to account for debtors and creditors during the year and at the financial year-end

Final Audit**Section 1 – Annual Governance Statement**

	Annual Governance Statement	<i>'Yes' means that this authority</i>	Suggested response based on evidence
.1	We have put in place arrangements for effective financial management during the year, and for the preparation of the accounting statements.	<i>prepared its accounting statements in accordance with the Accounts and Audit Regulations.</i>	YES –accounts follow latest Accounts and Audit Regulations and practitioners guide recommendations.
2	We maintained an adequate system of internal control including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.	<i>made proper arrangements and accepted responsibility for safeguarding the public money and resources in its charge.</i>	YES – there is regular reporting of financial transactions and accounting summaries, offering the opportunity for scrutiny.
3	We took all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with laws, regulations and Proper Practices that could have a significant financial effect on the ability of this authority to conduct its business or manage its finances.	<i>has only done what it has the legal power to do and has complied with Proper Practices in doing so.</i>	YES – the Clerk is experienced and advises the council in respect of its legal powers.
4	We provided proper opportunity during the year for the exercise of electors' rights in accordance with the requirements of the Accounts and Audit Regulations.	<i>during the year gave all persons interested the opportunity to inspect and ask questions about this authority's accounts.</i>	NO – the requirements and timescales for 2020/21 year-end were not followed.
5	We carried out an assessment of the risks facing this authority and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.	<i>considered and documented the financial and other risks it faces and dealt with them properly.</i>	YES – the council has a risk management scheme and appropriate external insurance.
6	We maintained throughout the year an adequate and effective system of internal audit of the accounting records and control systems.	<i>arranged for a competent person, independent of the financial controls and procedures, to give an objective view on whether internal controls meet the needs of this smaller authority.</i>	YES – the council has appointed an independent and competent internal auditor.
7	We took appropriate action on all matters raised in reports from internal and external audit.	<i>responded to matters brought to its attention by internal and external audit.</i>	YES – the council takes action on recommendations within internal audit reports
8	We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and. Where appropriate,	<i>disclosed everything it should have about its business activity during the year including events taking place after the year end if relevant.</i>	YES – no matters were raised during the internal audit visits.

	have included them in the accounting statements.		
9	Trust funds including charitable – In our capacity as the sole managing trustee we discharged our accountability responsibilities for the fund(s)/asset(s), including financial reporting and, if required, independent examination or audit.	<i>has met all of its responsibilities where, as a body corporate, it is a sole managing trustee of a local trust or trusts.</i>	N/A – the council has no trusts

Section 2 – Accounting Statements

At the time of the year-end audit, the AGAR figures presented for checking were as below:

AGAR Box Number		2020/21	2021/22	Auditor Notes
1	Balances brought forward	439,592	443,928	Correctly carried over from box 7 2020/21
2	Precept or rates and levies	335,194	338,600	Confirmed against precept amount received
3	Total other receipts	101,188	190,672	Confirmed against accounting records
4	Staff costs	272,742	276,853	Confirmed against accounting records
5	Loan interest/capital repayments	12,203	11,710	Verified against PWLB records
6	All other payments	147,101	197,182	Confirmed against accounting records
7	Balances carried forward	443,928	487,455	Total correctly equals (1+2+3) – (4+5+6)
8	Total value of cash and short-term investments	466,014	510,400	Confirmed against accounting records and account balances
9	Total fixed assets plus long-term investments and assets	1,381,841	1,390,092	Verified against asset register
10	Total borrowings	43,269	33,654	Verified against PWLB records
[11]	Disclosure note re Trust Funds (including charitable)	YES	NO	n/a – the council has no trusts

The year-end accounts have been correctly prepared on the receipts and payments basis with the box 7 & 8 reconciliation explained using the RBS reserves reconciliation. This shows total debtors of £18,370.65 and creditors of £41,315.61.

The AGAR correctly casts and cross casts and the comparatives have been correctly copied over from the previous year's AGAR.

The explanation of variances has been completed to explain the variances in boxes 3, 6 and 10. The Clerk has prepared a supporting document to provide more detailed explanations of the differences and in my opinion, this provides enough information for the external auditor.

Section conclusion

I am of the opinion that the control assertion "Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded" has been met.

K. LIMITED ASSURANCE REVIEW (FINAL AUDIT)**Internal audit requirement**

If the authority certified itself as exempt from a limited assurance review in 2019/20, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2019/20 AGAR tick “not covered”)

Recommended minimum testing:

- The correct exemption certificate was prepared and minuted in accordance with the statutory submission deadline
- That it has been published, together with all required information on the Authority’s website and noticeboard

Section conclusion

I am of the opinion that the control assertion of “If the authority certified itself as exempt from a limited assurance review in 2020/21, it met the exemption criteria and correctly declared itself exempt” is not applicable due to the council not declaring itself exempt from a limited assurance review in 2020/21.

L: TRANSPARENCY (INTERIM AUDIT)**Internal audit requirement**

If the authority has an annual turnover not exceeding £25,000, it publishes information on a website / webpage up to date at the time of the internal audit in accordance with the Transparency Code for Smaller Authorities

Recommended minimum testing:

- This test applies only to those councils covered by the £25,000 External Audit exemption
- Internal auditors should review the authority’s website ensuring that all required documentation is published in accordance with the Transparency Code for Smaller Authorities

Interim audit

The council has an annual turnover exceeding £25,000, and this test does not apply.

Section conclusion

I am of the opinion that the control assertion of “If the authority has an annual turnover not exceeding £25,000, it publishes information on a website/ webpage up to date at the time of the internal audit in accordance with the Transparency code for smaller authorities” is not applicable due to the council turnover exceeding £25,000.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS (FINAL AUDIT)**Internal audit requirement**

The authority has demonstrated that during summer 2021 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.

Recommended minimum testing:

- Internal auditors should acquire / examine a copy of the required “Public Notice” ensuring that it clearly identifies the statutory 30 working day period when the authority’s records are available for public inspection.
- Internal auditors may also check whether councils have minuted the relevant dates at the same time as approving the AGAR

Final Audit

Inspection – key dates	2020/21 Actual	2021/22 Proposed
Date inspection notice issued	6 May 2021	1 June 2022
Inspection period begins	7 June 2021	6 June 2022
Inspection period ends	16 July 2021	15 July 2022
Correct length (30 working days)	Yes	Yes
Common period included (first 10 working days of July)	Yes	Yes

As noted in the external auditor's report, the proper practices were not followed for 2020/21 as the date the inspection notice was issued was the same date as the AGAR was signed by the council.

Therefore, the requirements of this control objective were NOT met for 2020/21, and assertion 4 on the Annual Governance Statement must therefore be signed as 'no' by the council.

I have confirmed that the proposed timescales for 2021/22 are within the requirements of this control objective.

Section conclusion

I am of the opinion that the control assertion "the authority has demonstrated that during summer 2021 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations" has NOT been met.

N: PUBLICATION REQUIREMENTS (INTERIM AUDIT)**Internal audit requirement**

The authority has complied with the publication requirements for 2020/21. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage.

Recommended minimum testing:

- Internal auditors should acquire / examine a copy of the required "Public Notice" ensuring that it clearly identifies the statutory 30 working day period when the authority's records are available for public inspection.
- Internal auditors may also check whether councils have minuted the relevant dates at the same time as approving the AGAR

Before 1 July 2021 authorities must publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited
- Section 1 - Annual Governance Statement 2020/21, approved and signed, page 4
- Section 2 - Accounting Statements 2020/21, approved and signed, page 5

Not later than 30 September 2021 authorities must publish:

- Notice of conclusion of audit
- Section 3 - External Auditor Report and Certificate
- Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

Interim audit

As detailed earlier in my report, the external auditor highlighted the following for 2020/21 'It was noted on review that the announcement of the Period for Public Rights was the same date as the approval of the Annual Governance and Accountability Return. Regulation 12-15 of the Accounts and Audit Regulations 2015 set out the order required to be followed when approving, announcing and publishing the Return and related documents in order to satisfy the Public Rights requirements. The Return must be approved prior to the Notice being published. To be able to demonstrate this, proper practice requires that the Notice is published no sooner than the day following the approval meeting and the Public Rights period commences no sooner than the next working day after that'.

Council must ensure that the correct sequence is followed for the 2021/22 submission.

As a consequence of the external auditor's findings, the council must select no to the control assertion for this item for the previous year.

Section conclusion

I am of the opinion that the control assertion of "the authority has complied with the publication requirements for 2020/21 AGAR. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage" has **not** been met.

O. TRUSTEESHIP (INTERIM AUDIT)

Internal audit requirement

Trust funds (including charitable) – The council met its responsibilities as a trustee.

Recommended minimum testing:

- Confirm that all charities of which the council is a Trustee are up to date with Charity Commission filing requirements
- that the council is the sole trustee on the Charity Commission register
- that the council is acting in accordance with the Trust deed
- that the charity meetings and accounts are recorded separately from those of the council
- review the level and activity of the charity and where a risk-based approach suggests such, review the Independent Examiner's report

Interim audit

The council has no trusts.

Section conclusion

I am of the opinion that the control assertion of "Trust funds (including charitable) – The council met its responsibilities as a trustee" is not applicable as the council has no trusts.

Should you have any queries please do not hesitate to contact me.

Yours sincerely

Andy Beams
